### JOB DESCRIPTION

We are seeking an energetic and customer-focused Full Time/Part Time Snack Bar, Beverage Cart, and Pool Service Attendant to join our team! This position is ideal for someone who thrives in a fast-paced hospitality environment and enjoys interacting with members and guests while delivering exceptional service. The ideal candidate will have strong food and beverage knowledge, a positive attitude, and a commitment to creating memorable experiences for our members.

### KEY RESPONSIBILITIES

#### *Guest Service*

- Provide friendly, professional, and prompt service to members and guests throughout the snack bar, pool area, and golf course beverage cart service.
- Anticipate member needs and ensure a high level of satisfaction during every interaction.
- Maintain a welcoming and professional demeanor at all times.

#### *Snack Bar Operations*

- Take food and beverage orders and prepare menu items according to established standards.
- Prepare and serve alcoholic and non-alcoholic beverages in compliance with company policies and local regulations.
- Demonstrate knowledge of menu items, ingredients, and food pairings to assist members with their selections.
- Maintain cleanliness and organization of the snack bar area, including equipment, counters, and food preparation areas.

#### *Beverage Cart Service*

- Operate the beverage cart on the golf course to provide beverage and snack service to members and guests.
- Stock and maintain the beverage cart with appropriate inventory before and during shifts.
- Safely operate the beverage cart and follow all club and safety guidelines while on the course.
- Accurately process member charges and credit card payments using the POS system.

#### *Pool Service*

- Provide food and beverage service to members and guests in the pool area.
- Take and deliver orders promptly while maintaining attentive and courteous service.
- Ensure the pool service area remains clean, organized, and stocked with necessary supplies.
- Monitor the pool deck area and assist members with requests when possible.
